The school reopened on 5th January with great enthusiasm and renewed spirit after the holidays. The campus came alive with the cheerful presence of students, eager faces, and a positive atmosphere of learning and togetherness. Teachers warmly welcomed the students, setting a motivating tone for the new academic phase.

**BUILDING
YOUR
BRAND**

We hosted “Build Your Personal Brand”, a specially designed session for the freshers of Classes X and XII. The session was thoughtfully facilitated by Fr. Bharath Jeyaraj SDB (MSW), who engaged the students with powerful insights on understanding their strengths, nurturing self-belief and presenting themselves positively in both academic and real-life spaces. More than just an academic initiative, the programme marked the beginning of a meaningful journey of self-discovery, confidence and purposeful growth for our young learners. Through interactive discussions and reflective moments, students were encouraged to see themselves as unique brands – each with their own talents, values and potential to shine.

Participants were grouped into four engaging school houses – Doyens, Maestros, Explorers and Innovators – each symbolising a unique dimension of learning.

The debate sessions were expertly led by Poet R. Krishnakumar, M.A., B.Ed., Tamil Teacher, Mar. Ephrem M.C.K. Higher Secondary School, Sooriyacode, whose inspiring guidance added depth, direction and dynamism to the proceedings. Students learned that true communication lies not in winning arguments but in listening, reasoning and growing together. It left a lasting impression by strengthening confidence, sharpening intellect and fostering a culture of thoughtful discussion.

A PROUD VICTORY AT THE 7TH STATE VOLLEYBALL TOURNAMENT

Our students proudly participated in the 7th State Volleyball Tournament, conducted by Trinity Sports Club, Thiruthuvapuram, a prestigious sporting event. They stepped onto the court with confidence, determination and a true sporting spirit, representing the school with pride and passion.

Through a series of thrilling and closely fought matches, our team displayed exceptional teamwork, discipline and resilience. The tournament was not just about winning, but about learning the values of sportsmanship, unity and perseverance. Our students proved that with dedication and teamwork, success naturally follows.

OUR SCHOOL CELEBRATED PONGAL WITH GREAT ENTHUSIASM AND CULTURAL FERVOR!

Students participated in house-wise competitions like Pongal preparation, Rangoli, speech, group song, and cultural dance, showcasing teamwork and healthy competition. Grade-wise traditional games and creative activities promoted coordination, creativity, and cultural awareness. The tug-of-war competition added excitement and team spirit. Students enjoyed the festivities, and the celebration successfully instilled joy, unity, and respect for our traditions. It was a wonderful way to mark the harvest festival, and we're thrilled to have shared this experience together!"

ACHIEVEMENT

We celebrate a truly memorable moment of academic excellence and recognition as two of our students, Austin Dev (Grade VII) and Varshika R (Grade IV) participated in the Hindi Examination conducted by the Akhil Bharatiya Rashtra Bhasha Vikas Samiti and secured prizes through their commendable performance. Their achievement stands as a shining example of dedication and linguistic skill. Adding to this proud occasion, our respected Correspondent, Rev. Fr. WEEK'S ASSEMBLY THEME -

As we continue on our journey of growth, learning, and self-improvement, we would like to take a moment to reflect on a vital quality that can greatly impact our lives and the lives of those around us. In this edition of our school newsletter, we would like to share with you the importance of modesty. Being modest doesn't mean you're weak or lacking confidence. It means you're strong enough to stay grounded, humble, and kind. Remember, it's not about seeking praise or attention, but about making a positive impact. So, let's strive to be humble heroes, quietly making a difference in the world around us.

Stay modest, stay kind, and stay amazing!

OPEN HOUSE ON JAN 25

On January 25th, our school campus buzzed with excitement as we hosted an Open Day session for students from KG to 12th grade. It was a wonderful opportunity for parents to witness their child's progress.

Parents actively interacted with teachers, gathered information about their child's performance, and discussed ways to support their learning journey. The parents' meetings for grades 9-12 were particularly insightful, with teachers sharing valuable feedback and guidance with parents.
