

MAR IVANIOS CBSE SCHOOL, KUZHITHURAI

THE WEEKLY SPARK

Steps That Spoke, Voices That Inspired

With determination in their hearts and a powerful message on their lips, our young learners took part in a Drug Awareness Rally to Kuzhithurai Junction, spreading the resounding message: "Say No to Drugs – Say Yes to Life." Carrying thought-provoking placards and raising spirited slogans, they transformed the streets into a pathway of awareness, inspiring the community to stand united against the menace of substance abuse.

More than a rally, it was a movement of hope and responsibility. Every step echoed a commitment to building a healthier, safer, and drug-free society. Through their enthusiastic participation, the students became young ambassadors of change, reminding everyone that the strongest shield against drugs is awareness, wise choices, and collective action.

ECHOES OF CHANGE: A DEBATE FOR LIFE

The Drug Awareness Day debate transformed the stage into a vibrant forum where ideas clashed and truth shone brightly. Four teams—Doyens, Maestros, Explorers, and Innovators—presented compelling arguments on who bears the greatest responsibility for the rise in drug abuse: society, family, government and law enforcement, or the individual. Every speech reflected thorough research, confident delivery, and a deep sense of social responsibility, captivating both the audience and the judges.

The programme flowed seamlessly under the able guidance of the debate moderator, whose poised coordination, fair time management, and engaging presentation ensured that every voice was heard and every argument received equal importance.

After an intense exchange of perspectives, Team Maestros emerged victorious with their convincing assertion that the family forms the strongest defence against drug abuse. Their thoughtful reasoning, emotional appeal, and powerful presentation earned them the judges' admiration and the winning title. The debate concluded with a clear and inspiring message: a united family, a vigilant society, and informed individuals together can build a future that proudly declares,

"Reject Drugs, Choose Life"

HONOURING A LIFE OF FAITH AND SERVICE

Like a lighthouse that guides ships through uncertain waters, His Excellency Most Reverend Dr. Vincent Mar Paulose, our revered Manager, continues to lead with wisdom, compassion, and unwavering faith. A true shepherd, he walks before his flock with a heart devoted to service, nurturing minds, strengthening values, and inspiring lives. His vision extends beyond classrooms, reminding us that education is not merely the pursuit of knowledge but the formation of character, faith, and humanity.

Manager's Day, celebrated at Christ the King Church, Marthandam, was a heartfelt expression of gratitude for his exemplary leadership and selfless ministry. As prayers of thanksgiving rose and hearts united in appreciation, the occasion became a tribute to a shepherd whose gentle guidance, steadfast commitment, and loving care continue to illuminate the path of countless students, teachers, and families. May God continue to bless His Excellency with abundant grace, good health, and strength as he shepherds the community with faith, hope, and love.

HEALING HEARTS, INSPIRING FUTURES: IVANIANS PAY TRIBUTE TO THE GUARDIANS OF LIFE

With gratitude and respect, Mar Ivanios CBSE School observed National Doctors' Day. Dressed as young doctors the students stood together to honour the tireless service and unwavering dedication of the medical fraternity. As they raised their hands and took the pledge, they promised to follow healthy habits, maintain good hygiene, respect doctors, and inspire others to value health and well-being. The ceremony served as a gentle reminder that good health begins with small, responsible choices made every day.

The event encouraged students to develop compassion, discipline, and a sense of responsibility, nurturing them to become thoughtful individuals who contribute to a healthier and happier society.

SEEDS OF WELLNESS: NURTURING HEALTHY MINDS AND HAPPY HEARTS

Good health is the foundation upon which bright dreams are built. with this belief, our school, in collaboration with smart medical center,kaliyakkavilai organized a meaningful health check-up and awareness programme that inspired students to embrace a healthier way of life.The day began with a comprehensive health check-up led by Dr. Priyan (MBBS) and the dedicated nursing team, ensuring that every student's well-being received thoughtful attention.

The journey of wellness continued with an enlightening session by Dr. Ram Prasad, medical officer. He guided the students on the importance of personal hygiene, reminding them that simple daily habits can build a lifetime of good health. More than just a medical camp, the programme planted the seeds of awareness, responsibility, and self- care in young minds. It was a step towards creating a healthier, happier, and more confident generation, equipped not only with knowledge but also with the inspiration to make wise choices every day.
